## SOCIETY OF PETROLEUM ENGINEERS JAVA INDONESIA SECTION

### GUIDELINE TO WRITE AN ARTICLE

For those who are going to apply for the SPE Java Scholarship, the Scholarship Committee request students to write short essay / article as a valuable complimentary requirement to obtain scholarship from the SPE Java Indonesia Section.

Students will learn how to write an article as a preparation for the upcoming working assignment. We would like to know the student's perspective on the following Petroleum-Industry-Related topics;

Students may just pick one of those topics

1. What will you do with current low oil price?
2. Action to be taken when the fossil energy is getting scarce
3. The most economical energy for electricity resources
4. Ideas how to increase government income with low oil price

The article should be complied with the following general guidelines;

- Original (do not copy paste from any paper or articles)
- SPE Paper style
- Written in a good English, **minimum of 1,000 words**.
- Type with any Word Processing Software.
- Print on an A4 size paper with 1' margin on all sides.

Article submitted will be reviewed by a Scholarship Committee and will be rated as A, B, B+ and C. This grade will be factored in to decide the eligibility to receive the Scholarship. **Originality of the articles will be a plus**

All questions and concerns about this process should be addressed to the scholarship Committee of SPE Java Indonesia Section.

Good Luck and Best Regards,
