

Society of Petroleum Engineers

SPE Symposium: Production Enhancement and Cost Optimisation

7 – 8 November 2017 | DoubleTree by Hilton Kuala Lumpur, Malaysia

The inaugural SPE Symposium: Production Enhancement and Cost Optimisation aims to provide a timely platform for knowledge transfer, innovation and sharing of best practices in oil and gas production as we continue to evolve towards a sustainable model of enhanced operations and cost optimisation.

Technical presentations will cover topics on Artificial Lift, Flow Assurance, IOR/EOR, Digital/Production Optimisation, Well Operations and Optimisations and more.

KEY SESSION TOPICS

- Production Enhancement and Cost Optimisation
- Synergy in Action: Industry Collaboration towards Sustainable Efficiency and Cost Optimisation
- Digital Transformation Journey: People, Technology and Strategy
- Technology Development and Deployment in Malaysia: Addressing the Challenges Faced by the Oil and Gas Industry, Now and in the Future

EVENT HIGHLIGHTS

60+
speakers and
technical experts

12
hours of
technical
presentations

10+
panel and
technical
sessions

6+
hours of
dedicated
networking
opportunities

PANEL OF DISTINGUISHED SPEAKERS

Bacho Pilog
Symposium
Co-Chairperson and
Vice President,
International Assets,
Development and
Production, Upstream,
PETRONAS

Choong Yen Li
Symposium
Co-Chairperson and
General Manager,
Venture Development,
Sarawak Shell Berhad

David Parkinson
Director of Architect
Solutions,
**Baker Hughes,
a GE company**

Megat Zariman
Abdul Rahim
Vice President,
MOGSC and Vice
President, Sales,
Bumi Armada

Hamidah Hassan,
General Manager,
IT,
**ExxonMobil Exploration
and Production
Malaysia Inc.**

Melanie Cook
Senior General Manager,
Production,
**ExxonMobil Exploration
and Production
Malaysia Inc.**

Trygve Randen
Vice President,
Middle East and
Asia - SIS,
Schlumberger

Max Prins,
Global Technology
Manager,
Shell International

Nasir Darman
Head of Group
Research and
Technology,
**PETRONAS Research
Sdn Bhd**

Mohd Shahir Liew,
Deputy Vice
Chancellor of
Research and
Innovation,
**Universiti Teknologi
PETRONAS**

Keith Collins,
Chief Executive
Officer,
Vestigo Petroleum
